ERRATA NOTICE

Part of
Public Record

Delivery Acquisition, Inc., as Transferee, and Transportation Management Systems, LLC, f/k/a TMS, Inc., and East West Resort Transportation, LLC as Transferors ("the parties"), furnish herewith their Errata Notice directed to the Board's Decision served in this proceeding on July 18, 2008.

1. In the parties' application filed with the Board in this docket on June 19, 2008, at paragraph 2(b) of the Application, the following statement appears:

(b) Pertinent Interstate Operating Rights.

TMS and EWRT are lessor and lessee, respectively, of the operating rights issued by the former Interstate Commerce Commission in MC-169714 and MC-174332, providing for special and charter operations in interstate and foreign commerce, and in MC-181367 providing for interstate and intrastate regular route operations

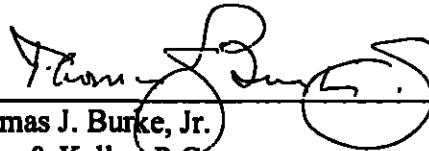

2. As the result of inadvertence, two numbers in the intended base docket number MC-169174 were transposed so that it erroneously provided that certain of the transferred operating authorities were contained in base docket MC-169714. This error, for which the parties apologize, was carried through in the Board's Decision. The correct base docket number should have been, and is, MC-169174.

3. The parties request that to the extent necessary, the Board make suitable amendments or changes to its decision served July 18, 2008 to reflect correction of this inadvertent transposition of numbers.

DATED: November 4, 2008.
